#### TO USE THE VADA DIRECTORY

TO FIND a member in a particular location, use the full directory listings, which are arranged alphabetically by town. The shop numbers refer to the member's location on the maps in the center of the directory. Due to space limitations, map locations are sometimes generalized; for specific directions refer to the member's listing. Associate (out-of-state) members are listed alphabetically by state, then town, following the Vermont listings.

TO LOCATE a member whose name you know, use the alphabetical index at the beginning of the directory. Shop numbers refer to the member's location on the map in the center of the directory.

SINGLE COPIES of this directory may be obtained by sending a double-stamped self-addressed business-size envelope to Greg Hamilton, 219 Main St., Vergennes, VT 05491. Bulk requests to Greg Hamilton sbainc@yahoo.com or phone 802/877-3359
